

Saturday, June 1st Dress Rehearsal Schedule for Show #1 (11:00am Show)

Please arrive promptly at **10:00am for drop off** at the marked side entrance (this will also be where you drop off for the recital). **Everyone**, regardless of their dances time slot, will be dropped off at 10:00am in order to practice going to their designated classroom for the show and the final bow. The dress rehearsal will be a **closed rehearsal**, which means there will not be audience members. After your child's designated time slot, you will be able to pick them up at the side door where you dropped them off if you would prefer to not leave them for the entirety of the rehearsal! The children will be supervised by Rec Staff throughout the dress rehearsal in their given rooms, and we will have plenty of activities (puzzles, coloring sheets, etc.) to keep them occupied!
